

AMERICAN SOCIETY OF NUCLEAR CARDIOLOGY
Nuclear Cardiology Preceptorship Listing

revised 08/08

This list of nuclear cardiology training programs, organized alphabetically by state, was compiled by ASNC from responses by directors of training programs in adult cardiology and nuclear medicine. Information contained in this listing was provided by each institution and was not verified by ASNC. This listing is provided as an informational service only; ASNC does not endorse any of the listed programs.

Questions:

- 1) Does your regular fellowship program provide training that meets the ACC/ASNC CoCats Guidelines (<http://www.asnc.org/resources/nctraining.cfm>)?
 - a) Level II?
 - b) Level III?
- 2) Does the special preceptorship program provide training that meets level II ACC/ASNC CoCats guidelines (<http://www.asnc.org/resources/nctraining.cfm>)?
- 3) Does your facility provide opportunities for involvement in research projects?
- 4) Does your facility have PET?
- 5) Does your facility have CT?
- 6) Do you have a teaching file?
- 7) Do you charge for your program?

Legend: **Y** Available through this program **N/A** Information unknown or not provided
