

Future Leaders Program Application

Physicians Application Requirements:

1. Member of ASNC (if accepted to attend)
2. Current cardiology fellow in one of the following scenarios:
 - a. Current cardiology fellow at an ACGME accredited institution
 - b. A general cardiology fellow committed to pursuing a career in cardiac imaging
 - c. A general cardiology fellow interested nuclear cardiology

How to Apply:

1. Submit a brief statement (300 words or fewer) that answers the following questions:
 - a. What is your motivation for attending the future leaders program?
 - b. Describe your level of commitment to nuclear cardiology.
 - c. What does your ideal career trajectory look like?
2. ONE letter of recommendation/endorsement by a faculty member describing your commitment to a career in cardiac imaging and your potential as a future leader in the field (Program Director letter is preferred if possible)
3. A copy of your curriculum vitae (CV)

Please email your application to Georgia Lawrence (glawrence@asnc.org) by **Midnight (EST)** on **August 31, 2019**.
