

# Technologist Leadership Development Program

## TECHNOLOGIST LEADERSHIP DEVELOPMENT PROGRAM APPLICATION

The Technologist Leadership Development Program (TLDP) has been established to guide emerging technologist leaders to become active in the governance of ASNC and in the field of Nuclear Cardiology. Two selected participants will learn about the organization and structure of ASNC through mentorship, skills development events, hands-on projects and service on ASNC committees. Applicants must be a minimum of two years out of training.

For more information about this program, please visit [ASNC.org/TLDP](https://www.asnc.org/TLDP).

### Application Checklist

**Applicants must submit the following materials:**

Completed Application Form

Letter of Recommendation

Current Curriculum Vitae or Résumé

Statement of Interest (maximum of 500 words)

I hereby attest that all the information on this application and any attached documents are accurate. I agree that the American Society of Nuclear Cardiology may verify any of the above data. I agree to conform to the bylaws of the Society.
