

How to Claim CME for 2019 Board Prep Course

1. To claim CME or view the lectures, please click on this link: <https://www.abstractsonline.com/pp8/#!/8986>

You have 90 days from Thursday, September 12, 2019 to claim your CME or view the lectures on the Board Prep online platform.

To claim your CME credits or obtain Maintenance of Certification (MOC), you must sign in at the top right side of your screen. Your email is the address you used to register for the course, and your password is your last name.

The screenshot shows the top of the ASNC website. On the left is the ASNC logo. In the center, the text reads "NUCLEAR CARDIOLOGY Board Exam Preparation Course". On the right, there is a sign-in form titled "Sign in to 2019 Board Prep Course" with fields for "Email Address" and "Last Name", and a "Sign in" button. A red circle highlights the sign-in form. Below the header, a message says "You must Sign In to view the meeting content." At the bottom, it says "ASNC Website 703-459-2555".

2. Start selecting the sessions for which you want to receive credit. First, click on the date.

The screenshot shows the details for the "2019 Board Prep Course". It includes the following text: "The meeting will be held in Chicago September 11-12, 2019 at the Chicago Marriott Downtown Magnificent Mile." "The overall goal of this activity is to enhance physician competence by providing a comprehensive review of the CBNC blueprint exam in nuclear cardiology, including the most up-to-date information, developments, treatment protocols, methodology, and best test for the right patient at the right time to optimize patient outcomes in their nuclear cardiology practice." "The American Society of Nuclear Cardiology designates this live activity for a maximum of 19 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity." "This site will allow you to claim CME credits and ABIM MOC points." "Course Agenda | CME Course Materials" "ASNC is pleased to provide an electronic syllabus. Click on the Day(s) below to access presentation PDFs. We encourage you to download the presentation PDFs to your computer in advance so you can access them during the program. You can access these presentation slides by individual speaker or by session. If you have trouble viewing any of the documents, please download the newest version of Adobe Acrobat." At the bottom, under the heading "Day", the dates "Wednesday, September 11" and "Thursday, September 12" are listed. A red circle highlights these dates.
