

American Society of Nuclear Cardiology

2026 INDUSTRY PARTNERS ENGAGEMENT GUIDE

Corporate Support

ABOUT ASNC

Who we are

ASNC is the world's leading network of nuclear cardiology imaging professionals. Everything we do is to support our 5700+ members worldwide so they can deliver the best possible evidence-based imaging to patients.

Our Mission

To improve cardiovascular outcomes through image-guided patient management.

Increase Relevance of Nuclear Cardiology and ASNC

- Strategic Communications
- Tactical Education
- Enhanced Member Engagement

Our Strategic Priorities

Promote Lab Modernization and Quality

- Demonstrate Value of Improved Outcomes
- Promote Breadth of Applications
- Foster Innovative Outreach

Your organization can be a part of the continuing evolution in nuclear cardiology by supporting and collaborating with ASNC to support your customers' successes.

ASNC has built a strong comprehensive portfolio of opportunities for Industry Partners to achieve their goals as well as build and enhance relationships with imaging professionals.

Join ASNC in its mission to advance the field of nuclear cardiology.

ASNC: Where Cardiology and Imaging Intersect

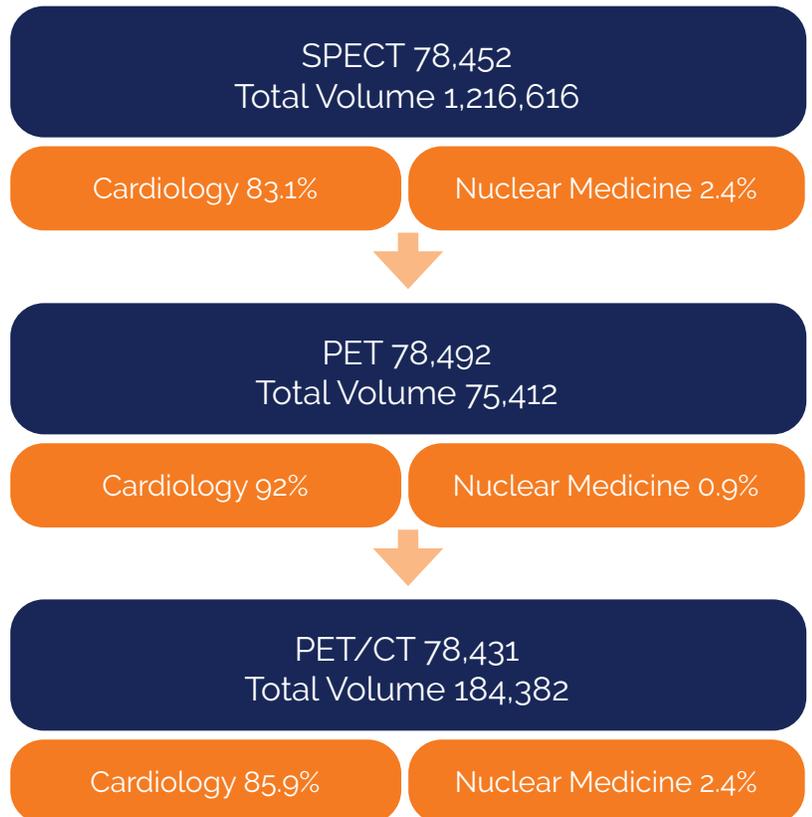

ASNC is the international leader in education, advocacy, and quality in cardiovascular imaging with 5700+ members worldwide.

Founded in 1993, ASNC's membership is composed of **cardiologists, radiologists, physicians, scientists, technologists, imaging specialists**, and other professionals dedicated to the science and practice of nuclear cardiology.

ASNC is where your marketing investment reaches the right audience and achieves optimal return on investment. **Altogether, 77% of ASNC's members are cardiologists, making ASNC your target audience for nuclear cardiology.**

What does this data mean for you? Across all points of service, **cardiologists are performing the vast majority of nuclear cardiology studies.** The state of nuclear cardiology is strong!

What ASNC Members Want

based on member survey data

**Cardiac
Amyloidosis**

**PET &
PET/CT**

**Improving
the Quality &
Efficiency of
my SPECT lab
(SPECT/CT)**

**Myocardial
Blood Flow**

**Appropriate Use
of Nuclear
Cardiology in
a Multimodality
Practice
Environment**

**ASNC Members
priorities align
with your goals.**

ASNC Live Virtual and OnDemand Educational Programs

2026 PET VIRTUAL ALLIANCE PARTNERSHIP

Support ASNC PET and hybrid imaging programs by committing to a year-round partnership. Partners can commit at the beginning of the year and receive benefits and recognition at all of the virtual programs below. This partnership also allows organizations to send customers and staff to these training programs to advance the field of PET and hybrid imaging.

2026 PET Virtual Programs:

Cardiac PET Intensive Workshop | Jan 10-11, 2026

Hybrid Imaging Workshop | Feb 6-8, 2026

Cardiac PET Technologist Workshop | Feb 21-22, 2026

Cardiac PET Intensive Workshop | May 2-3, 2026

Cardiac PET Advanced Workshop | Dec 5-6, 2026

Additional benefits are included with the sponsorship depending on the level of support.

Gold PET Alliance - \$55K

- 30 complimentary registrations to any virtual PET program of sponsors choosing – can be distributed to clients (value \$21K)
- Virtual Exhibit Booth at all PET programs (value \$15K)
- One Satellite Session at program of choice – 30-45 minute session before/after program or during a designated break (value \$20K)
- Two Email Broadcasts – full membership or in conjunction with any PET program (value \$8K)
- Logo featured on virtual platform and ASNC.org meeting webpage
- Guaranteed ASNC2026 booth selection in the gold sponsorship category

Silver PET Alliance - \$30K

- 15 complimentary registrations to any virtual PET program of sponsors choosing – can be distributed to clients (value \$10K)
- Virtual Exhibit Booth at all PET programs (value \$15K)
- One Product Theatre Session at program of choice or Virtual Platform sponsorship (value \$8K)
- Logo featured on virtual platform and ASNC.org meeting webpage
- Guaranteed ASNC2026 booth selection in the silver sponsorship category

Virtual Exhibit and Sponsorship opportunities will be available for each individual program in the event prospectus.

ASNC Live Virtual and OnDemand Educational Programs

ASNC - GLOBAL VIRTUAL NUCLEAR CARDIOLOGY WORKSHOPS

Date: TBD – Based on Demand

Expand your reach through ASNC's global workshops that will address the clinical gaps in a specific global region. Based on the educational needs of the region, the programs will use case-based presentations to highlight the roles of SPECT and PET imaging in the diagnosis of cardiac amyloidosis, coronary artery disease and/or inflammation, and infection. The ASNC International Advisory Panel will work with the sponsor to identify a topic and region for program focus and delivery. ASNC will develop content.

Sponsorship Opportunities:

- Partners will receive headline recognition as part of the meeting promotion
 - \$20K each
-

NUCLEAR CARDIOLOGY FOR FELLOWS-IN-TRAINING

Date: March 27, 2026

New Orleans, LA

Build the pipeline for nuclear cardiology! This dynamic program will take place in New Orleans, Louisiana on Friday, March 27, just prior to the ACC.26 Annual Scientific Session, providing an engaging environment where up to 75 attendees can interact with expert faculty.

This in-person only event is designed to maximize learning and engagement through a dynamic, fast-paced program divided into five sections that address key imaging concepts encountered during nuclear cardiology training.

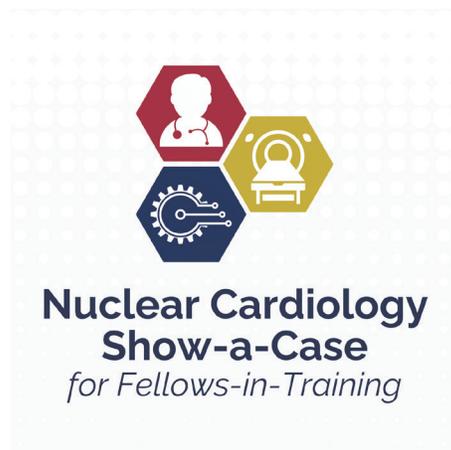

Sponsorship Benefits

Gold - \$10K

- Three complimentary registrations
- Table-top exhibit
- 2 email broadcasts to registered attendees, before and after the event (value \$4,000)
- Giveaway or brochure to be distributed at attendees' seats
- Three invitations to cocktail reception with faculty and attendees

Silver - \$5K

- Two complimentary registrations
 - Table-top exhibit
 - 1 email broadcast to registered attendees before or after the event (value \$2,000)
 - Two invitations to cocktail reception with faculty and attendees
-

ASNC Live Virtual and OnDemand Educational Programs

FUTURE LEADERS: THE NEXT GENERATION OF NUCLEAR CARDIOLOGY

Date: September 16, 2026
ASNC2026 in Las Vegas, NV

Meet with up-and-coming decision-makers in nuclear cardiology!

This high-value event highlights the importance of nuclear cardiology to fellows-in-training. Attendees are inspired to consider careers in cardiac imaging and particularly in nuclear cardiology. The program is focused on the value of nuclear cardiology and the role it plays in clinical cardiology.

The program brings a broad scope of faculty who will share their personal journeys and how nuclear cardiology and ASNC play a pivotal role in shaping their careers. A perennial favorite since its launch in 2019, this application-based program provides travel costs to participants and, importantly, has prompted several past attendees to change their career paths to include imaging. Sponsors will be able to attend the program and participate in an industry panel discussion.

Sponsorship Opportunities:

- ASNC2026 registration and travel stipend for awardees
- Option to participate on Industry Panel
- Invitation to networking dinner and reception
- 60-80 application-based attendees
- \$30K

Save the Date

ASNC'S AI SUMMIT AND INDUSTRY FORUM

Please save the date for ASNC's new AI Summit on October 28, 2026, followed by ASNC's Industry Forum, "Advancing Nuclear Cardiology's Competitive Advantage in the Evolving Multimodality Environment," on October 29, 2026, at the Westin Washington Dulles Airport in Herndon, VA.

Cost: \$7K per organization (two individual registrations included)
Additional registrations can be added for \$799 each

ASNC Live Virtual and OnDemand Educational Programs

ASNC NC NOW: MIDDLE EAST VIRTUAL PROGRAM

Date: November 2026

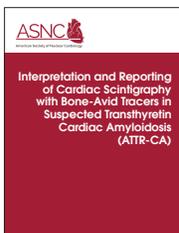

This conference will be held in collaboration with multiple professional societies from the Middle East and co-organized by ASNC.

Sponsorship Opportunities:

- \$5K - \$20K
 - Virtual Exhibit Hall
 - Industry Satellite Sessions
-

2026 Communication & Outreach Opportunities

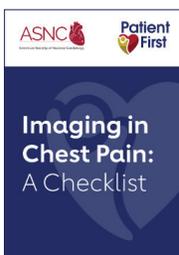

REPORTING TEMPLATES

What is the primary reason a nuclear cardiology lab does not achieve IAC lab accreditation on the first submission? Less than optimal reporting!

To meet this crucial need, ASNC developed reporting templates for PET and PYP imaging. These templates will support improved and high-value reports that will drive clinical decision-making for referring physicians.

Sponsors will have their logo on the last page of the template. These can be printed for manual distribution or developed for electronic PDF distribution. Use these for current and future clients to support lab optimization.

Pricing dependent on delivery format (print vs digital) – Please ask for pricing

IMAGING IN CHEST PAIN: A CHECKLIST

Do you want a tool your customers can distribute to their referring clinicians?

Imaging in Chest Pain: A Checklist is a quick reference guide for evaluation and diagnosis of patients with chest pain. It is designed as a pocket guide so healthcare providers can use it as a quick reference when deciding on which imaging test to choose. This is a useful tool for YOUR customer to provide to their referral network with YOUR help.

Pricing dependent on delivery format (print vs digital) – Please ask for pricing

2026 Communication & Outreach Opportunities

IMAGING INSIGHTS

Imaging Insights is a unique opportunity for your company to “speak with ASNC members.” This innovative and insightful publication provides an Industry Partner with a unique opportunity to share important content or news with ASNC members while enhancing engagement with your key audience. As an *Imaging Insights* sponsor, you can select the theme of the issue as well as the target audience and ASNC will partner with you on content development.

Each issue of *Imaging Insights* will include:

- A feature article.
- One sponsored content feature (advertorial) of approximately 750 words developed by, or with input from, our Industry Partner. Sponsored content may be written by the sponsor or by ASNC with the sponsor's input.
- One short-read (below-the-fold) feature of 500 words or less; and
- ASNC announcements.

The article will reflect interviews with a predetermined number of leaders in the field and other experts. Each issue will have an overarching theme.

The sponsorship also will include one banner ad on ASNC.org for the purpose of directing readers to the article. If the sponsor opts for ASNC to write the feature, the sponsorship increases by \$5K.

Sponsorship: \$25K

INDUSTRY INNOVATION WEBINARS

Are you looking to engage with ASNC members and increase your brand profile?

Whether you are looking to increase your company profile, launch a new product or focus on new business development opportunities, utilize these successful webinars to help you reach your goals in 2026.

Your company will select the topic and faculty and develop the program. ASNC will manage the program promotion. The webinars will be posted for the public on the Industry Partner website and will be available OnDemand for one year post webinar. Sponsorship includes one email broadcast post-webinar.

Sponsorship: \$25k

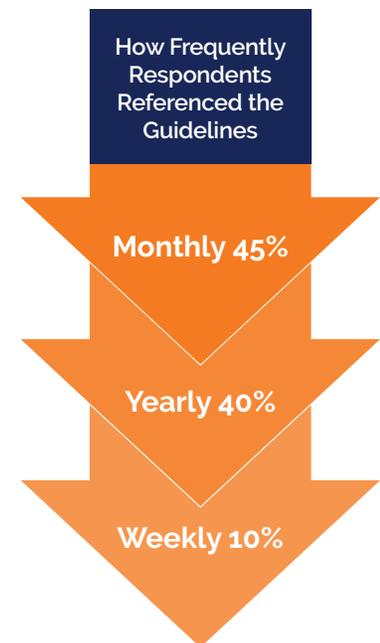

2026 Communication & Outreach Opportunities

CLINICAL DOCUMENTS AND RESOURCES

Be the first to share the latest clinical information! All of our clinical documents can be reprinted or developed into easy-to-use tools such as practice points, pocket cards, posters, quick reference guides and can be printed with your company logo to distribute to your clients, prospects, and staff.

New guidelines slated for 2026:

- ASNC Guidelines for Stress Testing in SPECT and PET Myocardial Perfusion Imaging
- ASNC/SNMMI Guidelines on the Clinical Use of Protocols for PET Radiotracers in Nuclear Cardiology
- ASNC Guidelines on the Clinical Use of Protocols in SPECT Radiotracers in Nuclear Cardiology
- Clinical Indications for PET Myocardial Perfusion Imaging and Myocardial Blood Flow Quantification: An ASNC Position Statement
- Standardized Reporting of Nuclear Cardiology Procedures Guidelines update
- ASNC Model Coverage Policy: 2026 Cardiac PET update

ASNC INDUSTRY THINK TANK

The ASNC Industry Think Tank is a partnership between clinicians, technologists, scientists and industry representatives. Through this alliance with our industry partners, ASNC can foster development of informed professionals, high-quality technology and products, and advocates for outcomes-driven innovations in the field.

The primary goal of the Industry Think Tank is to enhance our partnerships for growth and progress in the field of nuclear cardiology. By working together, we can address the challenges of competing imaging modalities, declining reimbursement and training that will impact our success as well as the success of our partners.

Benefits

- Up to two planning and development calls with ASNC staff to determine goals and objectives related to desired Think Tank outcomes.
- A two-hour virtual session with 4-6 ASNC experts (SPECT, PET, Advocacy, Research) to explore specific topics in-depth.
- Experts will be selected based on your recommendations. A report will be developed based on meeting outcomes and final recommendations.

Limited Time Pricing: \$30K

2026 Communication & Outreach Opportunities

ASNC & CARDIOVASCULAR BUSINESS PARTNERSHIP

This project provides ASNC2026 attendance to Digital Editor Dave Fornell for three days to conduct and produce interviews (video and/or written) of presenters and nuclear cardiology leaders, post content on social media during the meeting, put the content together in dedicated newsletters (**co-branded with ASNC and vendor sponsor**) and sending to the digital audience of Cardiovascular Business. This will reach all of cardiology and not limited to only nuclear cardiology.

Newsletters and social media campaigns will be created to share interviews and stories with physician and administrative leaders in cardiovascular and nuclear cardiology, including speakers and notable attendees. The videos and stories will be gathered and produced by the Cardiovascular Business editorial team. The objective is to increase awareness, drive conversations and build mindshare around nuclear cardiology and ASNC2026.

The Cardiovascular Business team will create:

- Sixteen (16) content elements including video and articles (see details below) – all content will live on the ASNC landing page on CardiovascularBusiness.com where ASNC and sponsor will have branding banner ads.
- Four (4) co-branded newsletters that will include ASNC and vendor sponsor logos – all newsletters will be shared with ASNC to send to your audience.
- Social media live posts during the meeting on each of Cardiovascular Business channels (Facebook, X and LinkedIn)
- Social media shares of each of the 16 content elements on each of Cardiovascular Business channels (Facebook, X and LinkedIn)
- Newsletter shares in Cardiovascular Business daily newsletter of each content element.
- Various still images from the meeting will be incorporated into an image montage gallery and hosted on CardiovascularBusiness.com.
- Cardiovascular Business will provide newsletter audience reporting and metrics for all content elements.

2026 Communication & Outreach Opportunities

Deliverables

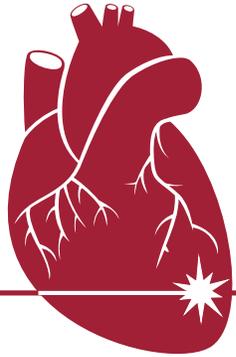

Video Content, Articles and Marketing

- A total of 16 video interviews (4-8 minutes) that include an article summary and/or written stories will be produced that focus on ASNC speakers and attendees based on content presented and shared at the meeting. One of these will include an interview with an ASNC leader, and one with a leader from the vendor sponsor.
- Recording appropriate b-roll for video interviews.
- Various still images from the meeting will be incorporated into an image montage gallery (25 images with photo captions) and hosted on CardiovascularBusiness.com.
- All videos, content and photos created will include descriptions and will be live on the ASNC landing page on Cardiovascular Business with sponsor and ASNC branding banner.
- Videos and articles will be shared in one of four newsletters, starting two weeks after the meeting, with a cadence of one newsletter every two weeks thereafter.
- Design and hosting of article landing page on our branded content website to leverage our search engine optimization (SEO).
- Article headline listing is displayed on dedicated ASNC landing page in our content management system.

Newsletter Promotion

- Four (4) dedicated conference coverage newsletters distributed to Cardiovascular Business audience (40,000+) after the conference on dates determined by ASNC and Cardiovascular Business. ASNC will approve all newsletters prior to each being sent. Cardiovascular Business will share the newsletter three days prior to its send date for ASNC to review. Once the newsletter is sent, we will share the newsletter with ASNC to share with your membership.
- Sixteen (16) newsletter listings in Cardiovascular Business daily newsletters over the following three-month period.
- Sixteen (16) social media posts on each of Cardiovascular Business social media channels over the following three-month period, includes LinkedIn, X and Facebook channels.

Cost: \$60K

ASNC 2026

SEPTEMBER 16 - 19, 2026
CAESARS PALACE, LAS VEGAS, NV

The 31st Annual Scientific Session and Exhibition of the American Society of Nuclear Cardiology will take place in Las Vegas, NV with a virtual offering for those unable to attend in person.

ASNC2026 Annual Meeting Corporate Support Levels

DIAMOND LEVEL: \$250,000 CUMULATIVE SUPPORT FROM 2025

- Complimentary 1-page flyer available for distribution at registration
- 2 email broadcasts (before and after the event) to all registered attendees
- Full-page ad (premium location) and recognition in the ASNC2026 Final Program
- Inclusion on large banner displayed in Expo Hall
- Recognition on meeting signage
- Support level badge ribbon for all booth staff

PLATINUM LEVEL: \$150,000 - \$249,999

- 1 email broadcast (before or after the event) to all registered attendees
- Full-page interior ad and recognition in the ASNC2026 Final Program
- Inclusion on large banner displayed in Expo Hall
- Recognition on meeting signage
- Support level badge ribbon for all booth staff

GOLD LEVEL: \$100,000 - \$149,999

- Half-page interior ad and recognition in the ASNC2026 Final Program
- Inclusion on large banner displayed in Expo Hall
- Recognition on meeting signage
- Support level badge ribbon for all booth staff

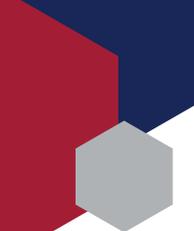

SILVER LEVEL: \$35,000 - \$99,999

- Recognition in the ASNC2026 Final Program
- Inclusion on large banner displayed in Expo Hall
- Recognition on meeting signage
- Support level badge ribbon for all booth staff

BRONZE LEVEL: \$20,000 - \$34,999

- Recognition in the ASNC2026 Final Program
- Recognition on meeting signage
- Support level badge ribbon for all booth staff

**Please contact Megan LaVine at mlavine@asnc.org
for additional information on sponsorship opportunities.**

ASNC2026 Annual Meeting Sponsorship Opportunities

ASNC2026 LUNCH & LEARN

The ASNC2026 Lunch & Learn offers an exclusive, high-impact educational platform where sponsors select the topic and speaker to lead meaningful dialogue around today's most pressing challenges, innovations, and solutions in nuclear cardiology.

Each sponsor is provided one full hour to engage directly with a highly targeted audience of 300+ nuclear cardiology professionals in a dedicated, distraction-free environment.

Key Highlights:

- 300+ attendees expected
- Exclusive educational session offered during this time slot — no competing programming
- Two premium sponsorships available (Thursday and Friday)
- Professional AV and full technical support provided by ASNC
- Highly sought after — sells out quickly

\$55K + Food & Beverage

BREAKFAST SYMPOSIUM SESSIONS – 3 AVAILABLE

These high-visibility breakfast satellite sessions offer a powerful platform to engage ASNC2026 attendees during a prime, distraction-free time slot. As the only educational sessions taking place during this hour, sponsors benefit from focused attention and strong attendance.

Each session is held at 7:00 AM, outside of official program hours, and provides one full hour to deliver impactful, educational content tailored to your objectives.

Why Sponsor?

- Exclusive educational sessions offered during this time
- High-visibility placement with engaged attendees
- Professional AV and full technical support provided by ASNC
- Limited availability—only three sessions offered

\$30K + Food & Beverage

ASNC2026 Annual Meeting Sponsorship Opportunities

FUTURE LEADERS: THE NEXT GENERATION OF NUCLEAR CARDIOLOGY

Support the future pipeline and engage with the next generation of nuclear cardiology leaders. This Wednesday afternoon reception brings together Future Leaders program participants and faculty—many of whom may serve as future leaders in ASNC and nuclear cardiology. The format is designed for focused interaction, meaningful dialogue, and high-value networking.

Opportunity Highlights:

- Direct engagement with Future Leaders faculty and participants
- Two focused tracks enabling targeted conversations
- 60–80 highly engaged attendees in an intimate setting
- Sponsor participation in a moderated panel focused on the value of industry engagement with direct audience engagement

Sponsor Benefits:

- Invitations for up to five sponsor representatives
- Panel participation alongside Future Leaders and faculty

\$30K

REGISTRATION AREA SPONSORSHIP – EXCLUSIVE

This exclusive opportunity delivers high-impact visibility in the centrally located registration area - the central hub accessed by all attendees throughout the meeting. Branding includes door and window clings, floor graphics, and signage, with the option to add a live DJ. One email broadcast is included.

\$30K

FRIDAY ALL-ASNC PARTY

Host the celebration of ASNC2026! The Friday All-ASNC Party is the conference's premier social event, featuring entertainment, networking, and high-energy engagement. Sponsors gain standout visibility and the opportunity to create and name a signature cocktail.

Open to all meeting attendees, each attendee receives a drink ticket at entry, with the sponsor receiving 50 additional drink tickets. The event will be promoted through conference marketing and on-site signage and listed in the ASNC2026 Final Program.

\$25K

ASNC2026 Annual Meeting Sponsorship Opportunities

WI-FI SPONSORSHIP – EXCLUSIVE

As the exclusive Wi-Fi sponsor, your brand will be seen by every attendee, on every device, multiple times throughout the meeting as participants log in, reconnect, and switch between phones, tablets, and laptops. This is one of the highest-frequency brand touchpoints at the conference.

Sponsorship includes a branded Wi-Fi login experience with a redirect to a URL of your choice, prominent branding on conference materials and on-site signage, and the opportunity to select a custom Wi-Fi password that reinforces your message.

\$25K

CASES OVER COCKTAILS – 3 AVAILABLE

Sponsors host three 15-minute rotating case presentations during the Friday afternoon break, ensuring repeated, face-to-face engagement with small attendee groups. Attendees rotate between sponsor booths, keeping energy high and conversations flowing.

Each booth features an adjacent bar, with the option to create and name a signature cocktail. Sponsor recognition included on the ASNC website and through on-site signage.

\$25K

COFFEE OR ESPRESSO BARS – EXCLUSIVE

Treat attendees to their morning coffee with two branded coffee or espresso bars placed in high-traffic areas for two hours. This high-demand activation delivers constant foot traffic and repeated brand exposure during peak networking times.

Sponsorship includes bar branding, branded coffee sleeves and napkins, and two push notifications to drive awareness and attendance. Coffee and/or espresso must be provided by sponsor.

\$22K + Beverage

OPENING COCKTAIL RECEPTION

The Thursday evening Welcome Reception brings together all meeting attendees for a high-energy networking experience and offers sponsors exceptional visibility at one of the conference's most attended events. This sponsorship delivers strong brand presence through on-site signage and prominent listing on the ASNC2026 agenda and Sponsored Events page in both the print and digital ASNC2026 Final Program.

Sponsors also have the unique opportunity to elevate their brand experience by creating a custom-named signature cocktail and branded food item, making your organization part of the attendee experience from the very first sip and bite.

\$22K

ASNC2026 Annual Meeting Sponsorship Opportunities

ASNC2026 MOBILE APP - EXCLUSIVE

The ASNC2026 mobile app is used repeatedly by attendees to plan schedules, access educational content, navigate the conference, and stay connected before, during, and after ASNC2026. This makes it one of the highest-value digital touchpoints of the conference.

Sponsorship includes a home-page banner ad, recognition on the conference website, in conference materials, and in marketing and attendee emails. The package also includes two custom push notifications, delivering direct, real-time brand exposure each time attendees log into the app.

\$15K

WOMEN IN NUCLEAR CARDIOLOGY (WIN) RECEPTION

Support inclusion and leadership in nuclear cardiology at ASNC2026! ASNC will host the Women in Nuclear Cardiology (WIN) reception at ASNC2026 to foster a sense of community between women and those who support women in the field of nuclear cardiology.

ASNC is seeking sponsorship support for 100 participants to join this reception, which will include music, photos, cocktails, and networking. Sponsorship benefits include recognition in the program, logo on a branded backdrop, and additional reception invites.

\$15K Exclusive, \$6K Non-Exclusive

ASNC2026 VIRTUAL TECHNOLOGIST COURSE

This expert-led virtual course delivers practical, technologist-driven education tools and techniques that directly impact image quality and clinical decision-making. Sessions focus on CT for attenuation correction and calcium scoring, advanced PET/SPECT/CT applications beyond perfusion, and optimizing cardiac SPECT MPI using real-world cases and interactive Q&A.

Ideal for nuclear medicine and nuclear cardiology technologists, as well as cardiology fellows-in-training and early career physicians.

Sponsorship Opportunities:

- \$3K - \$15K
 - Product Theatre
 - Industry Satellite Sessions
-

ASNC2026 Annual Meeting Sponsorship Opportunities

MEET YOUR MATCH – EXCLUSIVE

Attendees will receive a branded button featuring your organization's logo and a unique number or phrase. They'll mingle to find others with a matching button, then visit the ASNC or sponsor booth to be scanned for a chance to win prizes! Branding includes recognition on the conference website, in conference materials, on-site signage, on social media, and in marketing/attendee emails.

\$13K

METER BOARD SPONSORSHIP – EXCLUSIVE

Your company logo will be featured on all meeting boards used around the hotel for directions, session info, and more!

\$10K

EXHIBITOR PRESENTATIONS – 2 AVAILABLE

These sessions will run concurrently to the other educational sessions at ASNC2026. Your company will have a 45-minute time slot to highlight your product or service, present a case, give a demonstration, simulation, etc. on the expo floor. You will select the speaker(s), session title, and description, and ASNC will market your session to attendees in the final program, mobile app, and one mobile push notification is included.

\$10K F&B Optional (only available to exhibitors)

WAYFINDING MAP SPONSORSHIP

Offers prominent, repeat brand visibility on a core navigation resource used by cardiology professionals throughout the meeting. The conference map will be highlighted in the printed program and digital app. Sponsorship includes logo recognition/branding on the map and one push notification.

\$10K

INDUSTRY COLLABORATION – 6 AVAILABLE

ASNC will host an Industry Collaboration event at ASNC2026 on Friday morning. This interactive, one-hour session is designed to facilitate meaningful interactions and foster collaboration between attendees and industry partners. Attendees will rotate among several industry tables for up to 10 minutes at each table. Sponsorship includes promotion in printed program, meeting app, and signage. Breakfast to be provided for attendees.

\$7K per table – 6 Available

ASNC2026 Annual Meeting Sponsorship Opportunities
